A Portland, Me., paper says of "In the Sunny South" which appears at the Barre opera house next Wednesday evening: "In the Sunny South was the attraction at the opera house on Saturday night and a good sized audience was present. The show was a good one of its class. The singing and dancing was excellent. The company is composed of 30 clever comers, real ones, and they all seemed to enjoy themselves as well as the audience did. The breakdowns were the real southern negro article, and some of the songs were most melodious. The company gave a street parade at noon Saturday with its own brass band which attracted considerable attention. The band was considerably better than many of the shrill voiced aggregations that travel with shows of the class of In the Sunny South."

Special Values--Yes, Great Values--in Fur Scarfs and Fur Coats!

We would not want to crowd you into thinking that we knew it all. Our experience has been as extensive as any in this state. Now we present to you values that we believe to be at least 20 per cent less than the lowest market price. We are to make a ten-days' sale of Furs that will bring new trade to our store.

Fur Neck Pieces

One lot of Blended Brook Mink Scarfs, just right for children's school wear, now \$1.49.
One lot of well made, full-size Isabella Opossum Scarfs, now \$2.98 each. Were \$5.00.
One lot of very long Isabella and Sable Opossum Scarfs with full, fluffy tails, that were \$12.50 and \$15.00. Your choice now for ten days at \$9.98 each.

FUR NECK SCARFS.

One lot of very wide Cape Scarfs, the popular Boston Scarfs, in both Isabella and Sable Opossum, that were \$18.00 and good values at that, now in this ten days' sale at only \$12.50.
Fox Furs that were \$12.50, now for \$9.98.
Fox Furs that were \$18.00 and \$19.50, now for \$15.00. The \$25.00 kind for \$20.00 and the \$30.00 and \$35.00 kinds for \$25.00.

Ladies' Fur Driving Coats

Not a Coat in our line but what we warrant to stand the test. We have all kinds from \$19.00 up, such as Lamb, Calf, Dog, Wambretta in both colored and natural, also Coon and number one Electric Seal. Considering that these Driving Coats are costing now from \$2.00 to \$5.00 more than when these Coats were priced, these Coats are bargains.

There is quite a craze for Ladies' Fur-lined Coats. Ours were bought last March and priced from \$5.00 to \$10.00 less than the same Coats would cost today. Ours are priced at \$16.50, \$25.00, \$29.50 and from that up to \$80.00 each.

WHALES IN FIERCE BATTLE.

Warfare Continued Two Weeks And Over Twenty Are Dead.

Santa Barbara, Cal., Nov. 4.—The bodies of over twenty dead whales known as "killers" are floating in the channel off Santa Cruz island, thirty miles from this city. They measure from twenty to forty feet in length and bear evidence of a fierce battle between the monsters.

This warfare has been general between two varieties of whales and sword fish for two weeks in the ocean near the channel islands, and it is probable that in the extermination of so many of this variety of whale, a signal victory has been won by some of the Levitians.
